

February 24, 2022

Dear ECEC Parents,

One of the many mitigation efforts in place at the ECEC is having children stay in one classroom with the same peers throughout the day. When the need arises due to low numbers concerning children and staff shortages, ECEC staff contacts parents to obtain parent permission to combine classrooms or allow parents to make alternative arrangements for care.

During our school breaks, we typically see lower numbers for attendance. In order to support social interactions, children will be combined so they have peers to spend the day with. In preparing for Spring Break, when we have lower attendance for children onsite, we are asking parents in advance to provide us with information. ECEC spring break is March 7th – 11th.

- ☐ I am aware that ECEC will combine classes during Spring break.
- ☐ My child/ren will **not** be attending during Spring Break
- ☐ My child/ren will be attending on _____.

Child/ren's Name: _____

Parent Signature: _____

Date: _____
