Dear Early Childhood Education Center Families,

The Salt River Schools Education Board and ECEC Policy Council recently approved the closure of the ECEC during Spring Break, March 18-22, 2024. The ECEC will NOT be able to provide child care assistance during this time.

The closure is due to a planned electrical shutdown for the entire campus (a full notice from SRPMIC Public Works is available on the ECEC website).

ECEC staff will participate in important professional development off-site at the Conscious Discipline Academy, for which there may be opportunity for parents to attend. Reach out to your Family Advocate if you are interested in participating in this opportunity.

All ECEC families are asked to sign off that they are aware of the closure; you may do this on-site at the ECEC front desk. Additionally, families will be responsible for finding alternative care March 18-22.

Questions? Call the ECEC at 480-362-2200 or contact your Family Advocate.

Sincerely,

Tami Brungard
ECE Leader
